THE Contractors Plan

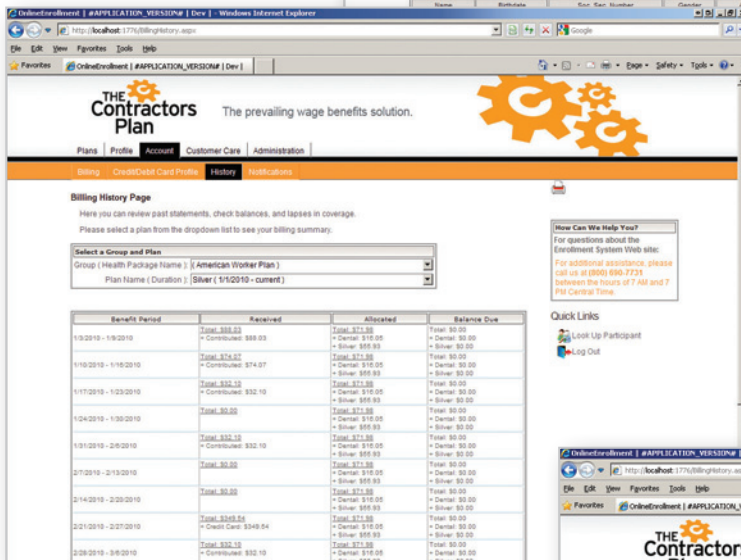

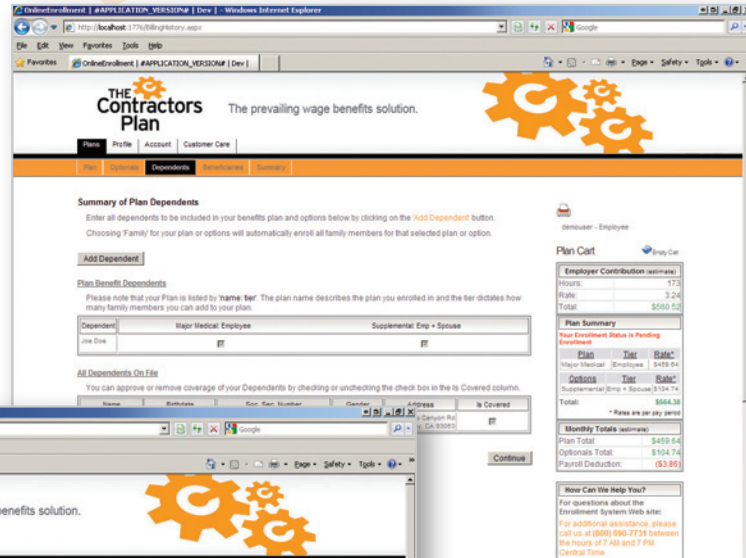

Powered by Fringe Benefit Group

Plan Cart

Dynamic Plan Cart™ tool enables participants to create different what if scenarios to allocate benefit dollars based on their specific needs

As participants make their elections, the Plan Cart™ automatically adjusts, estimating their monthly contributions towards health, ancillary and retirement options

The Plan Cart™ enables complete transparency and control over benefits elections for the enrolling participant and human resource personnel

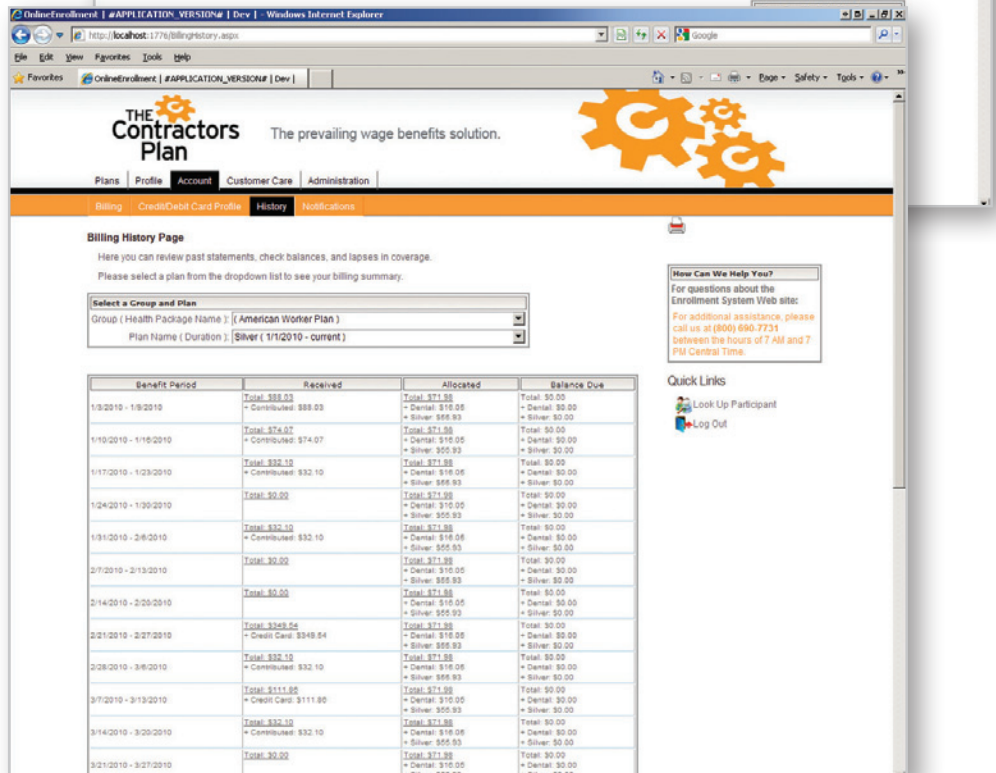

Billing History Page

Contractors and their employees can see all contributions in a simple view

Allocation amounts include selected health, ancillary, and retirement amounts

Supports complete transparency around month to month allocation of benefit dollars
